Prep Plants or mines with prep plants								
01L00091		AEC Century Mine	E	deep mine/refuse	expired	F		
01L00046		Ohio Valley Coal	E	prep plant	expired	F		
01L00027	OH0022829	CONSOL Meigs #31	E	to PN week of 3/24	has TMDL associated with it	F	bob Newport	
01L00073	OH0076368	Oxford Conesville Prep	E	sent to PN week of 3/17 - no TDS issues	Eric said there is no RP due to large WLA. Note that appliation was submitted by previous owner, and permit has since been transferred to Oxford	F	mark Ackerman	
01L00102	OH0076970	Oxford Strasburg Prep	DK	need to revise draft with biological conditions	first draft was PN last spring/summer. We didn't comment, WQBEL's were in permit. We found out that industry commented negatively on the limits and sent letter to OEPA reminding them that they need to send us the proposed permit before they issue.	F	krista Mckim	
01L00038		CONSOL Muskingum Prep	DK	prep plant	muskingum has engangered mussels	F		
01L00016		Central Fuel	N	new prep	haven't heard of this one	F		
01L00092	OH0011835	Hopedale Mine	dk	mine with prep plant at 01L00093		F	Ackerman	
01L00093	OH0011827	Hopedale Prep	E	prep	hopedale is familiar. There must be a GP coverage or remine with same name	F	Ackerman	
01L00018		Buckeye Ind Mining	E	prep plant	northeast district	F		
01L00145		Gatling Yellowbush	E	deep mine/prep plant/refuse	there is a surface mine with similar name that I recall OEPA had some concern with about 3 years ago	F		
01L00075		WV Resources Dundas Prep	E		there is a Dundas with GP coverage	F		
01L00109		Capstone Lamira Prep	DK			F		
01L00147		Rosebud Bergholz Prep	DK			F		
deep mines that may or may not have prep plants								
01L00161	OH0144649	Rosebud KLM	N	sent revised draft to Reg V week of 3/17	ongoing review loop with EPA	F	krista	Gary P
01N00382	OH0145556	Rosebud DM16	N	sent revised draft to Reg V week of 3/17	ongoing review loop with EPA	F	krista	Gary P
01L00028		CONSOL Meigs #2	DK	deep mine		NMI		
01L00071		CONSOL Powhatan4	E	coal seeps	coal seeps has an ominous ring to it	NMI		
01N00328		Sterling Carroll Hollow	DK	deep mine	havent heard of this but we have an anitdeg notice for "3rd hollow"	F		
01L00043		Bellaire Powhatan #5	E			NMI		
01L00136	OH0120405	Sterling South	DK	need to revise draft with biological conditions	supposed to be sterling south i think. first draft was PN last spring/summer. We didn't comment, WQBEL's were in permit. We found out that industry commented negatively on the limits and sent letter to OEPA reminding them that they need to send us the proposed permit before they issue..	NMI	krista	
01L00102		Rosebud Carrollton	N	deep mine -new	haven't heard of this	F		
refues piles								
01L00159	OH0144576	AEC Bennoc	N	sent final draft to Reg V 3/21	ongoing review loop with EPA. Current submittal is incomplete but putting date down here as marker anyway	F	janet Pellegrini	Gary P
01L00162	OH0144711	Rosebud Scott Farm	N	sent to PN week of 3/17 - should meet fed conditions	received last week	F	Janet Pellegrini	R. Peachey
01L00163	OH0144720	Rosebud Vail South	N	sent to PN week of 3/17 - should meet fed conditions	received last week	F	janet Pellegrini	K Peaceman
01L00101		Marietta Coal Bellaire Refuse	N			F		

EPA-R5-2014-006572F0000442

		Buckingham Coal Co	N	not on OEPA list	we received antideg notice - new coarse refuse disposal site. Sunday creek	F		
01L00146		Ohio Am Energy Riddles	E	refuse	in area of power plant, prep plant, ash pond	F		
deep mine related (sanitary/portal) or unknown								
01M00036		AEC-Bethesda Portal	N	to PN-week of 2/24	sanitary/shower-only	NO REVIEW		
01L00092		Hopedale Cadiz Portal	N	deep mine	haven't heard of this - might be sanitary only but could have mine dewatering	NMI		
01L00148		Emerald Enviro	DK	water treatment residuals - new	have not heard of this -	NMI		
01N00247		Rosebud West Point	DK	fly ash / coal?	northeast district	NMI		
01L00036		CONSOL Oak Park #7	DK		have not heard of this	NMI		
surface mines (remines or new since there is no GP)								
01P00848		B&N Coal West Fork	N	surface mine	remine?	NMI		
docking/storage facilities								
01L00019		Sands Hill Dock	DK	coal dock	WECAB was looking at sands hill mine. If this is a dock only we haven't been looking at docks	NO REVIEW		
01L00049		Shelly Materials	DK	coal dock - check w/SEDO for comments and issue	we haven't been reviewing docking facilities	NO REVIEW		
01L00010		Norfolk Southern	DK	coal dock	we haven't been reviewing docking facilities	review	brian bell	
01L00110		Oxford Bellaire Terminal	DK		sounds like a dock	NO REVIEW
